- Summer classes begin on the first week of July and end on the third week of August. Attendance for summer program is optional.

If the fund is insufficient, \$35 penalty is applied.
- Safety Measures:
 - a. Parents are asked to fill out an online attendance checklist before arriving to school. This is a helpful tool for operations purposes and is beneficial to keep an online attendance record. It helps to keep our classroom running efficiently.

- b. When a child is observed to have sore throat, cough, nausea, or other symptoms of sickness during class, the teacher will contact the parents to pick up the child immediately. If a parent can not be reached, the school staff will call the listed “emergency contact/ authorized person” to pick up the child. This same procedure will occur if the parent has not arrived 15 mins after school dismissal.
- c. “ONE AT A TIME” entrance and exit when dropping off and picking up the child. The parent with the child can enter the program premise AFTER the last parent leaves.
- d. Although physical distancing is no longer mandatory, we still require that parents wait outside until their turn to enter or pick up their children. This helps avoid congestion in the front door and is a safety precaution.
- e. Proper handwashing when the child arrives, before and after snack, and at any time that requires additional handwashing (example: when child sneezes or puts finger in mouth.)
- f. Sanitizing of learning materials, rooms, and furniture before and after class.
- Beamton Montessori does not provide transportation for any type of off-site activities nor transportation of children from home to school or school to home. All kinds of transportation are provided by parents, guardian or adult who is authorized by parents to do the drop-off and pickup.
- DROP-OFF/PICKUP: The child is dropped off at 8:25a.m. Pickup time is at 11:25a.m. for morning class. For the afternoon session, drop-off time is at 12:25p.m. and pickup is at 3:25p.m.
- The teacher waits at the entrance door to receive the child and ensure safety during class dismissal.
- There will be a grace period of 5 minutes after 11:30am/3:30pm for late pickup arrivals. Succeeding minutes will have a late fee charge of \$1.00/minute. The late fee charge will be added to next month invoice.
- SIGN IN AND SIGN OUT: There is an attendance record by the door for parent/guardian to sign in, confirming the child is brought at school and the teacher takes the child under her care - “Transfer of Responsibility.” Same way when the parent picks up the child to “resume responsibility.” If a different person will pick up the child, the parent should inform the teacher in advance, while the person will be asked to show ID to confirm identity. The teacher will not release the child to anyone without the parent’s permission.
- THE PARENT LEAVES AFTER SIGNING IN. NO NEED TO HELP THE CHILD to take the coat or shoes off. Since these are part of their Practical Life Skills lesson, we let them do it on their own to develop independence and sense of responsibility. Teachers help when necessary.
- Childcare subsidy is available to those families whose household income is under \$180k a year. Click here to apply: <https://applychildcaresubsidy.alberta.ca/>. There is also an affordability grant available to families whether qualified for subsidy or not. Beamton Montessori can apply for this on your behalf.

FIRE AND SAFETY

It is a Fire and Safety Department regulation that all childcare programs practice awareness and safety measures in case of emergencies such as the occurrence of fire in the building. In this regard, we will be doing fire drill once a month, throughout the school year and summer months program as well. We will monitor weather conditions to determine if it is ideal for children to have fire drill. When the weather is not permitting, we practice indoor.

The primary staff and staff member will lead the children to muster point, which is in the Northwest grass area of the building. There is children's portable record for the roll call. This lasts for approximately 8-10 minutes.

CHILD GUIDANCE POLICY

- It is an ideal classroom atmosphere when learning is fun. Part of this is when children have good social relationship, that everyone respects each other such as respect of one's space, privacy, and choice. The teacher can create this kind of atmosphere by setting attainable rules which are clearly explained to be followed by the class while expectations are successfully met.
- Child guidance is to be delivered in a quiet and slow manner. Children are motivated to show good manners by polite words and actions.
- Any child guidance should be reasonable in the circumstances and certain forms of punishment are not permitted that school staff must not, with respect with the child in the program, inflict or cause to be inflicted any form of physical punishment, verbal or physical degradation or emotional deprivation; deny or threaten to deny any basic necessity, or use or permit the use of any form of physical restraint, confinement or isolation.
- Use of 1-2-3 Magic method (by Thomas Phelan-1- 2-3 Magic: Effective Discipline for Children 2-12). This gives the child time and choices to change their actions.
- If the child continues and does not cooperate with the above method, he/she is requested to move to another space, allowing him/her to think and reflect to change behaviour while the teacher helps the child to have a clear understanding of how one may correct the behavior.
- Orientation to the children of teachers' role who set the classroom rules, deserve respect, guide in the lessons and the second parent to listen to.
